Mr. Allen W. Dulles, Director  
Central Intelligence Agency  
Washington, D. C.

Dear Mr. Dulles:

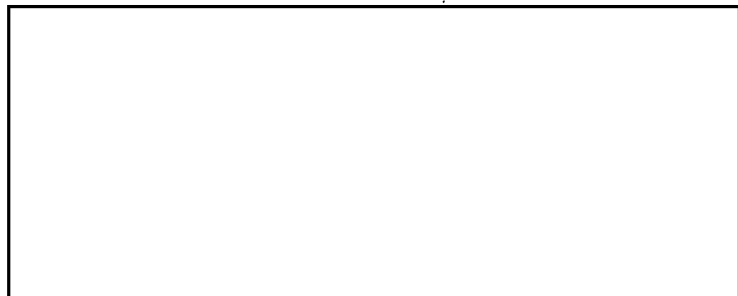

Mrs. Beukema and I are deeply grateful for your word of comfort. It brings solace to our grief over the loss of a son who has at all times lived up to our highest hopes and aspirations. We can thank a farseeing Providence that the promise he showed appears again in his children.

Sincerely yours,

*Herman Beukema*
